OBJECTIVE

Dynamic and skilled Web Developer with proficiency in HTML, CSS, Python, JavaScript, React, Django, UX/UI design, and SQL.

Leveraging a solid foundation in programming languages and a keen eye for design to create engaging and user-friendly web applications. Seeking opportunities to contribute technical expertise and creativity to innovative projects.

EXPERIENCE

- Developed responsive and interactive web applications using HTML, CSS, and JavaScript.
- Utilized Python and Django to build backend systems, implement APIs, and manage databases.
- Designed and implemented user interfaces with a focus on usability and accessibility.
- Collaborated with cross-functional teams to gather requirements, provide technical expertise, and deliver high-quality solutions.
- Conducted code reviews and contributed to continuous improvement initiatives.
- Implemented responsive design techniques to ensure optimal performance across various devices and screen sizes.

COMMUNICATION

Excellent communication and interpersonal skills

- English: Fluent
- Hindi: Native/Bilingual Proficiency
- Spanish: Conversational
